Corrigendum
The authors regret that there were errors in the original version of the following issue of the Health Technology Assessment journal:

Reference

Pages a, i and v
Original title
The effectiveness and cost-effectiveness of enzyme and substrate replacement therapies: a longitudinal cohort study of people with lysosomal storage disorders

Correction
The effectiveness and cost of enzyme replacement and substrate reduction therapies: a longitudinal cohort study of people with lysosomal storage disorders

Page v
Original
Objectives: To determine natural history and estimate effectiveness and cost of enzyme replacement therapy (ERT) and substrate replacement therapy (SRT) for patients with Gaucher disease, Fabry disease, mucopolysaccharidosis type I (MPS I), mucopolysaccharidosis type II (MPS II), Pompe disease and Niemann–Pick type C (NPC) disease.
