

# How do you choose your form of contraception?

Help us develop a website to help you decide

**Are you a woman between 15-30 years old?**

**Please tell us what you think about our new website and mobile app**

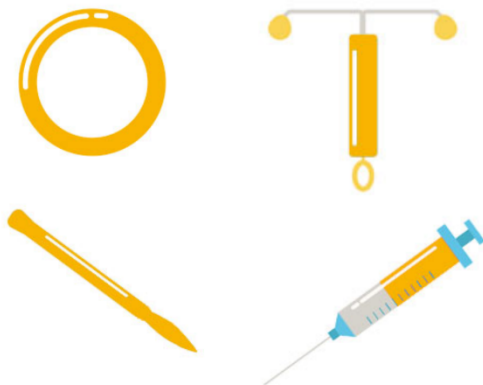

We have developed a website and mobile phone app with information about different forms of contraception to **help choose the one that suits you best**. We need your views on how it works, and how we can make it better.

Participation is simple - speak to reception or the clinic researcher, and you will be given an iPad to share your views with us.

We would be delighted to hear from you. The more participants the greater the potential impact of the research.

**£20 will be offered as a token of appreciation**

For more details please contact the clinic researcher, or Ana Gubijev at [a.gubijev@ucl.ac.uk](mailto:a.gubijev@ucl.ac.uk) or by telephone: on **020 7203 xxxx**

This Study has been approved by the UCL Research Ethics Committee. All information is handled in accordance with UK Data protection Act 1998
