### Research Project: Woods in and Around Towns

**Please read the statements below and tick the appropriate box.**

I understand the general aims of the project and am happy to take part -----

I am participating in this walk voluntarily and feel fit and physically capable of doing so today -----

I understand that it is my decision to take part in the project and I can stop at any time -----

If I do not feel I have appropriate footwear and clothing for this walk I will notify the researchers. -----

I understand that if I do not want to take part, I do not have to give a reason and it will not affect any help I am getting now or in the future -----

I understand that my name **will not** be publicised or used in any reports of the project -----

I understand that children (under 16 years old) are not part of this research and that I will be fully responsible for them for the duration of the walk-----

I am happy for a GPS device to be used to record the route of the walk and understand that the data will be kept secure within the research team -----

I understand that the data will be kept secure within the research team, that all collected data will be confidential and anonymised so that no individual will be identifiable from the outputs of the research -----

I confirm that I have read the Information Statement -----

I am happy to be contacted again in the future to take part in the same  
type of walk -----
