- Yes, only in their usual place of residence
- in usual place of residence but also in another setting
- Not provided in usual place of residence

Q5.3 Are service users charged for the service?

- Not at all
- Only if they use the service for more than six weeks
- Yes - provide details below _____

Answer If What is the maximum amount of time someone can receive the service in ...? (Usually for a maximum of six weeks, but some services allow some flexibility around this) no time limit Is Selected Or Is this service provided to people only in their usual place of residence (own home or long-term care)? Not provided in usual place of residence Is Selected Or Are service users charged for the service? Yes - provide details below Is Selected

Q5.4 Would you classify ... as a reablement service or something else?

- A reablement service
- Something else (provide details below) _____

If Something else (provide det... Is Selected, Then Skip To End of Block

Q5.5 I am going to read out some of the outcomes that commissioners might want from short-term reablement services. Which of these do you want to achieve from commissioning service? And of these, which is the most important outcome you want to achieve? If only one is chosen, also record this as the main outcome.

| | What outcomes do you expect to achieve from commissioning service? | Which of these is the main outcome you expect to achieve |
|--|--|--|
| help people to regain everyday living skills | <input type="checkbox"/> | <input type="checkbox"/> |
| help people to avoid admission to long-term care when they are at immediate risk of it | <input type="checkbox"/> | <input type="checkbox"/> |
| help reduce people's need for home care (social care) | <input type="checkbox"/> | <input type="checkbox"/> |
| prevent people from staying in hospital for longer than necessary | <input type="checkbox"/> | <input type="checkbox"/> |
| prevent people being admitted to hospital when they are acutely ill | <input type="checkbox"/> | <input type="checkbox"/> |
| Anything else? | <input type="checkbox"/> | <input type="checkbox"/> |

Q5.6 Do you commission a single provider for ... ?

- Yes - provide contact details for provider of this service _____
- No, commission more than one provider - provide contact details for all providers of this service _____

Q85 This is just for us. Record anything here that you have learned from the respondent that you think might be helpful in understanding reablement provision in this area.

Q7.1 Thank you for your help. Please could you tell me who is responsible for commissioning community-based services for older people and adults with long-term conditions in this local authority/CCG area? How may I contact that person?
