

3D Practice profile form (control practices)

Name of practice: Overall list size: Number of patients over 18 on the list: Trial arm

How does the practice organise its care for patients with long-term conditions?

	Yes	No
Do all your practice staff follow a policy of encouraging patients to see their named GP whenever possible, whatever the reason for the appointment?	<input type="checkbox"/>	<input type="checkbox"/>
Does the practice actively ensure that every patient with a long-term condition has a face-to-face medication review at least once a year? (this could be with a GP, practice pharmacist or nurse prescriber)	<input type="checkbox"/>	<input type="checkbox"/>
Does the practice aim to provide every patient with 2 or more long-term conditions with a written care plan to take away?	<input type="checkbox"/>	<input type="checkbox"/>
Is it your policy to annually screen for depression all patients with 2 or more long-term conditions who are under regular review.	<input type="checkbox"/>	<input type="checkbox"/>
Do you annually screen for depression any patients who have specific conditions e.g. diabetes, heart disease?	<input type="checkbox"/>	<input type="checkbox"/>
If yes, please specify which conditions:		
Are multiple long-term condition reviews usually combined into a single appointment?	<input type="checkbox"/>	<input type="checkbox"/>
If yes, please specify any conditions which would NOT be combined because too time-consuming or additional skills needed:		
Does the practice use any templates that combine separate disease reviews? If yes, please describe:	<input type="checkbox"/>	<input type="checkbox"/>
How does the practice organise recall for review of long-term conditions? Please tick all boxes that apply:		
Patients identified by an electronic search based on inputted recall date at time of last review <input type="checkbox"/>		Patients recalled during their birthday month <input type="checkbox"/>
Are identified patients sent a specific appointment? <input type="checkbox"/>		sent a letter asking them to make appointment? <input type="checkbox"/>
Other – please explain		

Practice profile form (control practices)

Have any changes occurred since Sept 2014 that may have affected your care provision for those with long-term conditions, including changes within the practice and in your CCG or health authority:

Yes No If Yes - please specify:

Any other comments on the 3D concept or on care of those with long-term conditions

Thank you!
