

Report Supplementary Material # 7 – WP2c – Data collection instrument from WP2 research sites

Dear [insert name]

Subject: Information on the costs of your reablement service

As you will be aware, the Models of Reablement Evaluation (the MoRE project) is a research project funded by the National Institute for Health Research - Health Services and Delivery Research Programme to evaluate different models of delivering reablement services in England. We are currently evaluating three different service models and the one you provide represents one of these service models. As part of this research we want to know how Managers and Commissioners organise and deliver their services and its costs.

We would like to gather information to allow us to calculate the cost of reablement. This information will help Commissioners compare their investment in reablement to other services, and will help future research on the costs (alongside the benefits) of reablement and the resources required to deliver it.

The information you provide will be reported anonymously. Your service and individuals providing this information will not be identified nor will the information be attributed to your service.

We are grateful for your time and help in collecting the information to allow us to calculate the cost of your reablement service. We are happy to discuss these questions by phone or email, whichever you prefer. If you find that you are not the most appropriate person to answer these questions, we would be grateful if you could refer us on to the appropriate contact.

With best wishes

On behalf of the MoRE project team

Brief survey - Cost of reablement services financial year 2016-17: [insert name of council]

The [insert name of service] provided by [insert name of council] represents a model of reablement that is currently participating in a research evaluation as part of the MoRE study. These questions aim to obtain the cost of reablement to [insert name of council] for the financial year of 2016-17.

Please leave the response box blank if you do not know the answer.

1. Questions on the cost of reablement per visit and per case

- 1.1. On average, in the financial year of 2016-17, what was the cost of a reablement visit to [insert name of council]?

£ [Click here to enter text](#).per assessment provided by the in-house team.

£ [Click here to enter text](#).per visit provided by the in-house team.

£ [Click here to enter text](#).per visit provided by the commissioned services.

- 1.2. On average, how long is a reablement visit (excluding assessment)?

[Click here to enter text](#).minutes per visit provided by the in-house team.

[Click here to enter text](#).minutes per visit provided by the commissioned services (if different).

- 1.3. On average, how many reablement visits does a person receive?

[Click here to enter text](#).reablement visits per person provided by the in-house team.

[Click here to enter text](#).reablement visits per person provided by the commissioned services (if different from those provided by the in-house team).

2. Questions on the spend in reablement

- 2.1. In the financial year of 2016-17, how much did [insert name of council] spend on reablement?

£[Click here to enter text](#).spend on reablement in 2016-17 for the services provided by the in-house team.

£[Click here to enter text](#).spend on reablement in 2016-17 for the commissioned services).

- 2.2. How many people received reablement provided by [insert name of council] in the financial year of 2016-17?

[Click here to enter text](#).people received reablement in 2016-17 provided by the in-house team.

[Click here to enter text.people received reablement in 2016-17 provided by the commissioned services.](#)

- 2.3. On average, how long is a reablement episode? For reablement episode, we mean the reablement that a person receives from the assessment (start) to discharge (finish).

[Click here to enter text.days per reablement episode for the services provided by the in-house team.](#)

[Click here to enter text.days per reablement episode for the commissioned services \(if different from those provided by the in-house team\).](#)

- 2.4. On average, how many hours are spent face-to-face with the person?

[Click here to enter text.hours per reablement episode provided by the in-house team.](#)

[Click here to enter text.hours per reablement episode provided by the commissioned services.](#)

3. Questions on the in-house assessment and reablement staff [insert name of in-house team]

These questions are about the in-house staff (assessment staff and reablement staff) funded by [insert name of council], over and above the staff of the commissioned providers.

- 3.1. How many whole time/full time equivalent posts are in the team responsible for the in-house component of the reablement service?

[Click here to enter text.whole time/full time equivalent posts.](#)

- 3.2. What are their qualifications, grades and time (whole time equivalent)? Please fill in the table below.

Job role	Whole time equivalent
Administrative staff	Click here to enter text.
Care manager/case manager	Click here to enter text.
Health care support worker (bands 2, 3, 4)	Click here to enter text.
Home care organiser	Click here to enter text.
Home care worker	Click here to enter text.
Managers	Click here to enter text.
