

Supplementary document 1: WP2 Probes Used in the Focus Groups

1. Tell me about today's assessment? How did it go? Was it a typical assessment? Did it go as expected?
2. How did the child's presentation influence the decision making process? What characteristics of the child did you consider in making your decision today? Were there any other characteristics considered? Can you tell me more about that?
3. What system characteristics did you consider today? Were there any others? Can you tell me more?
4. How did environmental factors affect the outcomes of the assessment (both within the assessment and in the child's life)? What other factors did you consider in making your decision?
5. Looking back on the assessment today, is there anything else that influenced your decisions that we have not talked about? Tell me more about that.
6. Was today's assessment similar or different to how your assessments go generally? In what way? Can you tell me more about that?
7. Are there particular frameworks or tools that underpin the way you make decisions or do assessments?
8. Is there anything else you would like to share?
