Patient Interview Consent Form

Participant Identification Number:

--	--	--	--	--	--

Study Acronym: Pragmatic Randomised Evaluation of Stable Thoracolumbar fracture treatment Outcomes (PRESTO)

If you would like to take part in an **interview** for the PRESTO study, **please place your initials in each of the boxes below, sign and date this form.**

Please ***initial***
each box

1. I confirm that I have read the information sheet [VX.X XXXXXXXX] for the above study. I have had the opportunity to consider the information, ask questions and have had these answered satisfactorily.
2. I understand that my participation is voluntary and that I am free to withdraw at any time without giving any reason, without my medical care or legal rights being affected.
3. I agree to this consent form and other data collected as part of this research study to be kept at Newcastle University and York Trials Unit, University of York.
4. I understand that anonymised written quotations from the interview may be used in publications and presentations related to the trial.
5. I understand that records relating to me will be kept confidential. No information will be released or printed that would identify me without my permission unless required by law.
6. I understand that the information collected about me may be used to support other research in the future and may be shared anonymously with other researchers.
7. I agree to take part in the interview.
8. I confirm that I am willing to allow the interview to be audio recorded.
