

Embedded project stand-alone document 4 Participant consent form

APPENDIX D Informed Consent Form for **Case Study** in Research Studies

Please complete this form after you have read the Information Sheet and/or listened to an explanation about the research.

Title of Project: **Embedded models of knowledge co-production in the NHS**

This study has been approved by the UCL Research Ethics Committee (Project ID Number): **11793/001**

Thank you for your interest in taking part in this research. Before you agree to take part, the person organising the research must explain the project to you.

If you have any questions arising from the Information Sheet or explanation already given to you, please ask the researcher before you to decide whether to join in. You will be given a copy of this Consent Form to keep and refer to at any time.

Participant's Statement

I

- have read the notes written above and the Information Sheet, and understand what the study involves.
- understand that if I decide at any time that I no longer wish to take part in this project, I can notify the researchers involved and withdraw immediately.
- consent to the processing of my personal information for the purposes of this research study.
- understand that such information will be treated as strictly confidential and handled in accordance with the provisions of the Data Protection Act 1998.
- agree that the research project named above has been explained to me to my satisfaction and I agree to take part in this study.
- Agree that my data, after it has been fully anonymised, can be shared with other researchers *(to satisfy Research Council funded projects as Research Councils have changed their guidance regarding data sharing)*

Please initial each box

I confirm that I have read and understand the information sheet for the above research and have had the opportunity to ask questions

I understand the purpose of the research and know that my participation is voluntary and that I am free to withdraw at any time without giving any reason

I agree to take part in workshops, which will be audio recorded and transcribed, to discuss the embedded research initiative which I am part of

I understand that all information will be stored electronically according to current data protection regulations maintaining anonymity

I agree to allow the information I provide to be used to produce a framework of embedded research initiatives which will be shared with a range of audiences and on a project website. I understand that this may include the direct use of comments made by me and that my identity will remain anonymous

I understand that after I have participated in the interview I will be unable to withdraw the information I have provided. Data I have provided will be used anonymously

I understand that a copy of this Consent Form will be held on file at University College London on an encrypted server

I agree that once the information I provide has been fully anonymised it can be shared with other researchers and used in further research

I agree to take part in the above study
